

CUSTOMER PORTALS

Building Better Customer Experiences

Unlock a new level of customer satisfaction with Super Dispatch's Customer Portals. Offer your clients real-time, effortless access to their vehicle's journey without all the back-and-forth. With the touch of a button, your customers gain full visibility into the status of their shipments, delivering a top-notch service experience.

The Benefits you Receive

INCREASED VISIBILITY AND SPEED

Customers can submit orders anytime and track their status in real-time, ensuring transparency and efficiency.

IMPROVED OPERATIONAL PRODUCTIVITY

Cuts down on manual work and reduces the back-and-forth between shippers and customers, allowing your team to focus on more critical tasks.

AUTOMATED ORDER MANAGEMENT

Streamlines the order process without the need to build and maintain complex integrations.

The **Features** that Get you There

24/7 Automated Order Submission

Customers can submit orders around the clock directly to your system, reducing manual data entry.

Real-Time Order Tracking

Customers can track the status of their orders and download important documents, minimizing frequent manual updates.

Multi-Location Support

For shippers with multiple locations, like dealerships, each location can have their own portal login for streamlined order submission and tracking.

Sales Agent Utilization

Brokerage sales agents can track their own loads, enhancing accountability and performance.
